May I ask the Mayor to kindly reconsider his order The two cases are in my opinion clearly distinguishable The one is a School intended for the children of Railway employees & is distinct outside our jurisdiction while the other is intended for the benefit of the children of the residents of a suburb of the Bangalore city which is within our limits. Grants in aid of Lingkas but not Education are being allowed

2. A monthly contribution of Rs-13 is promised by the residents towards the cost of maintaining the school. I beg to recommend that Government may be pleased to sanction a grant of Rs-13 in aid of the school, the charge being met from the savings of Rs-70 pointed out in my letter No 2371/69 of this date on the subject of a grant to the Southern Mahratta Railway School at Bangalore.

No 2509

Dated 26th Nov. 1903

His letter No 2374 / 71 dated the 14th Sep ' 03, recommending a monthly grant of Rs 13 a month in aid of the newly opened Sanskrit School at the Malleswaram Extension, Bangalore City, and proposing that the charge involved may be met from the savings of Rs 70 a month available in the State Fund budget under the head Grants-in-aid

----------ooooooooo-------

With reference to the saving of Rs 70 pointed out in the above, has the honour to observe that it was due to the transfer of the charges of the Normal School at Mysore from the Village School Fund to the State Funds budget and the relief thus effected in the latter budget should not be utilised by proposals for additional expenditure

but should be accounted for under variations as a deduction in the budget estimates to be submitted by him for the year 1904-1905 , and to enquire therefore whether he can point out any other savings in the budget from which the grant of Rs 13 proposed for the Sanskrit School at Malleswaram may be met by reappropriation ,and if so to submit a reappropriation statement in the prescribed form through the Comptr

2 further has the honour to state that ~~all~~ no part of the savings effected in the State fund budget owing to certain transfers of expenditure from the Village School Fund to the State Funds budget (Vide Govt Order No G 242-3 -Fd F 3-96 dated the 20th July 1903) should ~~not~~ be utilised for meeting additional expenditure as they have, as pointed above, to be accounted for under variations in the next budget,

By Order,

Secretary 18/11/3
